

**SECHELT HOSPITAL**  
FOUNDATION

A grateful patient, Shirley Nelson (middle), thanks Dr. John Hourigan and Dr. Sarah Wadge who saved her life in a medical emergency.

## In Gratitude

Expressing your thanks for exceptional care

### SAYING “THANK YOU” FOR EXCEPTIONAL CARE

Sechelt Hospital cares for thousands of patients each year—patients like you who have experienced the exceptional care provided by our physicians, nurses, healthcare providers and support staff. If one of our staff members (or a staff team) has made a real difference for you or a loved one, please show how much you appreciate their extraordinary care by making a donation to the Sechelt Hospital Foundation in their honour.

By making a tax-deductible donation to Sechelt Hospital Foundation, you can show our dedicated staff just how much you appreciate their care, while helping to purchase urgently-needed medical equipment and improve our health care facilities.

The staff member or team you commend will receive recognition of your generosity and a thoughtful thank you card passing on your personal message of appreciation (if desired). They will also know you made a donation to the Hospital in their honour.

#### Where Your Gift Goes

Every gift makes a difference and stays in our community to support excellence in health care for all Sunshine Coast residents. Donations to Sechelt Hospital Foundation help to:

- Purchase urgently-needed medical equipment
- Fund facility upgrades that positively impact patient care
- Support ongoing education of staff and community

#### Make a Difference

Your gift of gratitude will honour the staff member/team you have named, and will be dedicated to the area of greatest need at Sechelt Hospital.

**Thank you for supporting health care on the Coast.**
